

CSEA Health & Safety Committee
Minutes of 8/7/12 Meeting

Present: Julie Young, Chair, Kathy Croft, Pete Waterhouse
Absent: Bill Grimes

The minutes from the committee meeting of 5/1/12 were approved.

Julie reported:

First aid kits have been distributed to all janitors' offices on campus. They are supposed to be kept in a prominent place that is easy to find. Janitors will order kit supplies on-campus or will order a new kit plus blood borne packaging kits.

Staff should not go to the Health Center if they are injured at work. They should call UPD for an ambulance or EMT.

There have been 1 ½ days of lost work due to injuries since the last meeting.

The library will be receiving a proposal soon for automatic shut-down of the front doors for a shelter-in-place emergency. Julie will get more information at the next campus Health & Safety committee meeting.

Hazardous materials training will begin on 8/14 for custodial and MOC staff.

The acid pits on campus will be neutralized and cleaned up.

All fire inspection violations from the last inspection have been corrected.

There are new structural and seating code requirements for bleachers. The PE building will be upgraded.

Everyone is encouraged to contact any of the members of the CSEA Health & Safety Committee with their safety concerns. The contact information is:

Julie Young @ Golding Hall - x3134

Deb Schwartz to contact Julie Young in an emergency – x3309

Kathy Croft – x2725

Bill Grimes – x3288

Pete Waterhouse – x3551

The next meeting will be held on Wednesday, November 7th, at 12:00 noon in Room 116 Milne Library. A reminder will be sent to the committee members the day before the meeting.
