

Minutes of Campus Safety Committee Meeting of October 17, 2012

Present: T. Rathbone, M. Kinsella, J. Young, D. Ackerman, M. L. Bensen, R. Roberts, D. Libby, N. Payne, S. Barton, M. Reiss, H. Delancy, L. Maker, M. Merwin, M. McGurl

Location: Blodgett Hall

Lost Time Injuries: A custodian suffered a head bump and was off work for 2 days.

HazCom Training: N. Payne has completed HazCom training for MOC shops which will start next week. T. Rathbone requested that the Print Shop be covered as well.

Drill: The committee discussed the recent “active shooter” drill.

Polyphoric Liquids: New lab coats for the Chemistry Department have arrived.

Corridors: The committee discussed materials in the corridors of Milne, Admin, and Hulbert.

PE: The committee reviewed recent computer/probe failure events in the pool.

Whirlpools: N. Payne reported that the GFCI on the PE whirlpool has been replaced and that the outlets in the Field House area have been re-located. All whirlpools have been inspected by a factory rep.

Environmental Audit: N. Payne reviewed findings of a recent 3rd party audit of campus haz waste protocols. Consultant recommendations will be implemented.

Propane: Hunt Union’s propane tanks have been evacuated. The Field House fork lift was tested for gas leaks. Small leaks have been repaired. This will be done on a monthly basis. D. Couse will have users shut off the fuel valve after each use.

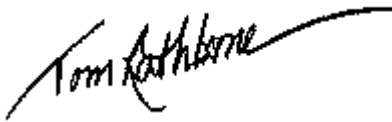

Thayer Railings: D. Ackerman reported that the Thayer railings have been installed.

Slippery Sidewalk: The reported slippery sidewalk between Golding and Curtis will be re-sealed with additional slip-resistant material.

Compressor Storage: S. Barton approved the storage of the compressor in the Hulbert loading room with certain limitations.

Mills Mech Room: The committee discussed the buildup of materials in the Mills mech room. D. Couse will move the snow blower to the sprinklered “incinerator room” in Huntington Hall. S. Barton concurs.

Tour: The committee toured Blodgett Hall after the meeting.
