

May 11, 2010 - CSEA Local 635 Executive Board Meeting

Present: John Frankl, Veronica Diver, Mary Moubray, Margaret Monaco

Absent: Pete Waterhouse

1. L/M follow up: Lisa should be signing the agreement for 2 day training; John will call Phyllis Alberisi to see if we should go ahead and schedule another L/M meeting before the training takes place. He will forward the email from her to all of us.

Discussed who to ask to join the L/M committee: Decided to ask Darlene Duncan – Mary will contact her to ask. Decided to pool from MOC and grounds as well and John will see who's interested and will email us with names of those who may be interested.

2. Went over details of the spraying incident – John will contact Lynnette Witherall, Health & Safety Office for Region 5 – to get her involved in this.

3. Furloughs – discussed. Everything is uncertain at this point. Members should not sign anything as it may negate any retroactive pay, etc. that may come out of this.

4. Good of the Order:

Website – Veronica hasn't had time to gather information to submit.

Steward & Grievance – Veronica to set up training for the summer months.

Meeting adjourned at 12:56.

Respectfully submitted,

Margaret Monaco, Secretary
